

STARLAYS DOUBLE DOWN STRATEGY

Whilst many lay betting sites suggest you use a system called martingale, where you bet what you lost plus what you want to win. Whilst great in theory it can wipe your your entire bank if you hit more than 2 or 3 loses.

Here at Starlays we have develeoped a strategy specifically designed for lay betting that also protects your betting bank should there ever be a losing streak

BET BEFORE LAST

LAST BET

NEXT BET AMOUNT

Won

Won

Half your last bet but never below your daily target

Won

Lost

Double your last bet

Lost

Won

Bet the same as your last bet

Lost

Lost

Double your last bet
